

Student Responsibilities

1. You are responsible for your actions.
2. Consider other students and their learning in your decisions and actions. Don't be a distraction.
3. Please, be courteous. This includes pushing your chair under the table after class.
4. It is your responsibility to get the assignments you miss for any reason.
5. Bring all materials to class every day.
6. Think SAFETY at all times.
7. Stay in your seat, with feet under the table, unless permitted or directed otherwise. For safety, be aware of where you are walking and what and who is around you when out of your seat.
8. When you do not understand or need assistance, please ask. I'm not a mind reader.
9. Knowing your grade and missing assignments. Check PowerSchool weekly to know where you stand academically.
10. Cheating and plagiarism are not OK. You will not receive credit for work that is not your own.
11. Gum chewing is not allowed. You will be asked to spit out your gum if you have any. If it becomes a continuous problem, consequences may be implemented.
12. School policy says that cell phones are not allowed on campus. While some teachers use cell phone to aid in education, I will not be. I should not see or hear a cell phone during class time. If I do, school policy will be enforced.

****Respect and responsibility are vital to success. With respect for one another and the course work, we will have a successful year together. Situations may arise which make it difficult to fulfill your responsibilities at times. If that happens, make arrangements with me to privately discuss a possible solution. My promise is to treat you fairly, and I expect the same effort from you.**
